# FOREWORD

## ALMA MATER

Hail to thee, dear Alto High School

We have loved you so,

And we'll fight to keep our honor

As through life we go.

Yes, we'll always be together,

Heart if not in soul.

Hail to thee, dear Alto High School,

Till we reach our goal!

Although you have only been here three years, your presence has had a great influence upon the student body. As a coach, your guidance has inspired our athletes to strive for higher goals in every sport. As a teacher, your knowledge and ability have proved a great help to your students in giving them the understanding they need. As a friend, you are always ready to help us with our problems or listen to a new joke. So, to you, Coach Scott, we dedicate this Stringer of 1964 with a wish for a great and happy future.

## WHAT IS A HIGH SCHOOL?

When you think of a high school, what do you see?

This is the picture that comes to me:

A high school is people - teenagers and all,

Its assemblies and classes and rush in the hall,

Its panic at grade cards, its black and gold;

Its thrills and excitement that never grows old,

Suspense fills the hallways, and rivalry's keen,

All yearn for a scholarship; who will be Queen?

A high school means projects and clubs with their fun,

And everyone working till all tasks are done;

Tense moments at ball games - Will we win or not?

That "Fightin' Jacket" spirit means more than we thought!

What is a high school? What is its story?

We've told it here in all of its glory!
